Here is the SAP/QAPP for 2015 Sampling Events: <I:\30 Day Share\ESAT\SAP QAPP Animas 2015 Final.pdf>

I would like to include language about updating the sampling location maps, due to access constraints or something similar. Can you word smith the below statement?

“Some of the sampling locations were updated, due to access constrains. The updated sampling locations maps are here: “

Here are the updated maps:
